Forward-Looking Statements

This news release includes "forward-looking statements" within the meaning of the safe harbor provisions of the United States Private Securities Litigation Reform Act of 1995 — that is, statements related to future, not past, events. Forward-looking statements are based on current expectations and include any statement that does not directly relate to a current or historical fact. In this context, forward-looking statements often address our expected future business and financial performance, and often contain words such as "anticipate," "believe," "intend," "expect," "plan," "will" or other similar words. These forward-looking statements involve certain risks and uncertainties that ultimately may not prove to be accurate. Actual results and future events could differ materially from those anticipated in such statements. The Company's forward looking statements may include or relate to the Company's plans to grow its business; the sufficiency of the Company's working capital; the Company's use of proceeds from financing activities; and the Company's expectations regarding the state of the wind energy market generally, as well as the Company's expectations relating to the economic downturn and the potential impact on its business and the business of its customers. For further discussion of risks and uncertainties, individuals should refer to the Company's SEC filings. The Company undertakes no obligation and does not intend to update these forward-looking statements to reflect events or circumstances occurring after this news release. You are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date of this news release. All forward-looking statements are qualified in their entirety by this cautionary statement.
